

JOIN OUR **BOUNTY CAMPAIGN**

500,000 ELM TOKENS AVAILABLE

What is a Bounty Program?

A Bounty Program is a limited-time, rewards-based, and community-driven publicity event that encourages members of various online communities to promote the Electrominer Token Sale. We will ensure that members of our community who promote the Electrominer Token Sale will be rewarded for their contributions. We strongly encourage you to become a member of our amazing Bounty Campaign and our community! Join us!

Facebook Sub Campaign 8%

Twitter Sub Campaign 8%

Telegram Sub Campaign 10%

Blogs, Medium, and Steemit Articles 21%

Reddit Posts 5%

YouTube Sub Campaign 10%

Translation Campaign 10%

Signature (BitcoinTalk) Campaign 27%

Scammer Hunting Campaign 1%

Version 1.9 - 7/18/2018

General conditions for participation

1. Before you start making your contributions to Electrominer, you must apply for the Bounty Campaign here: https://docs.google.com/forms/d/e/1FAIpQLScb1oZVEQzHrBKdq0AIDgXdyKLlB44i7j50a2Y_29t6GNH2vQ/viewform and join our Electrominer Telegram group t.me/electrominer. After you submit an application, Electrominer Bounty Campaign Manager will review it and send you an email with further instructions.
2. 500,000 ELM Tokens will be divided according to the stakes accumulated within the Campaign among selected participants. Each stake represents a share of each Bounty Pool in each Campaign. For instance, if you participate in Facebook campaign, your stakes will be calculated internally within the budget of Facebook campaign, which is 40,000 ELM Tokens.
3. Rewards will be tallied and distributed at the end of Electrominer Bounty Campaign. The Bounty Manager's reward decisions are final. Stakes are calculated internally but will be disclosed at the end.
4. Linking to the Electrominer website and use of unique referral links are strongly encouraged.
5. Participants are expected to be respectful of others and to avoid spam-like behavior. The use of bots, automated scripts, or any paid means (such as paying for social media followers) to increase exposure is also strictly prohibited.
6. Bounty Campaign lasts for 12 weeks (starting July, 20th until October, 12th)
7. Electrominer reserves the right to adjust the reward amount, depending on the number of applicants in each of the bounty campaigns.
8. Participants agree not to plagiarize content and to seek permission from any source that copyrighted content such as text, imagery, or audio is obtained from.
9. Each participant must use only one account on each social media platform.
10. Use of multiple accounts, cheating, and spamming is strictly prohibited and may result in a ban.
11. Participants must have original accounts. Fake, dead, inactive, and bot accounts will not be accepted.
12. Participants must create only positive publicity. Negative behavior will not be tolerated.
13. Your posts, comments, and reposts must be of good quality and related to our project.
14. Your posts, comments, and reposts must be unique on each network and follow the rules of grammar.
15. If you are engaged in spam, you will be disqualified.
16. There is no minimum amount of posts/retweets/likes you must obtain.
17. Members with a negative BitcoinTalk rating may be rejected from campaign participation.
18. Users may participate in several Electrominer Bounty Campaigns at the same time.
19. We are looking for active BitcoinTalk, Facebook, Twitter, Telegram and YouTube members and bloggers.
20. By participating, you agree to abide by all of the above rules in their current and future permutations, as well as any new rules as they are announced. Failure to do so will result in ineligibility for bounty rewards.

Please note: As this is a live Bounty Program, the details and terms of participation are subject to change at short notice. We reserve the right to amend or suspend the Bounty Program early in part or in its entirety if your goals are met or if the Bounty Pool has been exhausted.

3. After you receive the welcome letter, please, follow the included instructions.

CONTENT CREATION CAMPAIGN

YouTube - 50,000 ELM Tokens

Authors of original video content promoting Electrominer on YouTube will be rewarded with ELM tokens based on the quality of their videos as well as the total number of views garnered by the end of the Bounty Program. Create YouTube videos (for example: interviews, comparative analysis between Electrominer's innovative vision and today's standard cloud mining services, etc. - get creative!) and post them on a channel.

Rules

- All materials must be competently written, constructive, and positive about the project
- The video must promote Electrominer and be focused on an informative, relevant topic (such as Investing, Blockchain Technology, Mining, Business, Cryptocurrency, and Trading).
- YouTube videos in languages other than English and Russian may also be accepted. Please consult the Bounty Manager or Bounty Team via e-mail (electrominerio@gmail.com) or in the Electrominer Bounty Program Telegram channel.
- Videos must be meaningful and related to the ITO: The Token Sale, aspects of the Whitepaper, big data, related technology, etc.
- Only original content promoting Electrominer will be accepted. References to other ICOs or Token Sales will render the clip ineligible.
- Videos must be uploaded to YouTube only and must be publicly searchable.
- All video content must be at least 1-minute long.
- To be rewarded with tokens, participants must achieve at least 100 views to be eligible.
- All videos must be of good visual and audio quality. Poor quality videos are ineligible.
- You must link your video to the Electrominer website (www.electrominer.io)

Rewards:

High quality video¹- 15 stakes

Good quality video - 10 stakes

Normal quality video - 7 stakes

¹ Video quality is defined by the managers of Bounty Campaign. There are various criteria for defining video quality such as video resolution (min 720p), relevance to Electrominer ITO, content originality, structure and the way it is presented.

Additional bonus:

If the video reaches the number of views as shown below, participants will be awarded with the stakes according to the number of views in addition to the rewards listed above. The YouTube Bounty rewards will be calculated and distributed at the end of Bounty Campaign.

Views	Bounty Reward
500-999 views	10 stakes
1,000-1,999 views	20 stakes
2,000 – 4,999 views	40 stakes
5,000 – 9,999 views	100 stakes
10,000 – 99,999 views	150 stakes
100,000 views and more	300 stakes

How to participate

1. Subscribe to the Electrominer YouTube channel:
https://www.youtube.com/channel/UCf3yFQRWzz9W73eFKYlqfmw?view_as=subscriber
2. Register with this form
https://docs.google.com/forms/d/e/1FAIpQLScb1oZVEQzHrBKdq0AIdgXdyKLIB44i7j50a2Y_29t6GNH2vQ/viewform and wait for your confirmation email.
3. After you receive the welcome letter, please, follow the included instructions and link your video in the form.

Blogs, Medium, and Steemit Articles – 105,000 ELM Tokens

Rules

- Articles must link to our website www.electrominer.io
- Articles may be written in whichever language you please, as long as it is properly written
- No limit on how many articles you can publish
- Min 300 characters without spaces – Must use #electrominer and #electrominerito hashtags.
- The article should be publicly accessible (no paywalls)
- The article must contain original content, plagiarism will result in disqualification.
- Participants must achieve at least 50 unique views to be eligible for the reward
- Reposts of articles are ineligible
- Articles with fake views will be disqualified
- The article must feature Electrominer Token Sale. References to other ICOs or Token Sales will render the article ineligible.

Rewards:

High quality article² – 15 stakes
Good quality article – 10 stakes
Normal quality article – 7 stakes

Additional bonus:

If the article reaches the number of views presented below, the participants will be awarded with the stakes according to the number of views additionally to the reward listed above (will be counted at the end of Electrominer Bounty Campaign)

Number of views/readers	Bounty Reward
50-500 views/readers	7 stakes
501-999 views/readers	12 stakes
1,000-1,999 views/readers	20 stakes
2,000-4,999 views/readers	60 stakes
5,000 views and more	100 stakes

Publishing the article in additional blog/platform/media – 1 stake for each additional publishing
